

Maker's
 **Mark**

how do you
define culture?

what factors shape
our identities?

what are some
things that define
a culture?

what parts of our
identities do we
choose for ourselves?

what parts are
determined for us by
others, by society,
or by chance?

what are the five
most important
values of
your culture?

how does culture
and society impact
your self identity?

how are social
norms influenced
by your culture?
how is your culture
affected by
social norms?

what do we all
have in common
besides our genes
that make
us human?

how does media influence culture and society?

is there a danger in making people choose one part of their identity over others?

how do you stay true to and honor your culture however be innovative and evolve?
