

**success is not  
what you have  
but who you are**

**successful  
and  
soulful set**

**SOUL SUPPER: SUCCESS**

how do  
you define  
success?

describe a  
successful  
person.

is there a  
connection  
between  
success and  
happiness?

what is something  
you would love to  
do so much that  
you would be okay  
with failing at?

do you believe that  
your self worth is  
related to your  
career's success?

what is the best  
piece of  
advice you've  
ever gotten?

what are you  
most proud of  
yourself for?

what are some  
things you currently  
do that contribute  
to your productivity,  
happiness  
and success?

what does  
happiness look  
and feel like?

who are your  
role models  
for success?

what would you  
attempt to  
achieve if  
success was  
guaranteed?

what have you not  
done that you really  
want to do?

if you haven't  
achieved it yet,  
what do you have  
to lose?

if you already  
feel successful,  
how did you  
create it?

do you have a  
personal  
success plan?

a year from  
now, what  
decision will you  
be glad you  
made today?

do you have any  
new short-term or  
long term-goals  
regarding  
your success  
and happiness?

are you seeking approval from anyone else besides yourself?

how do you stay inspired?

is success determined solely by internal validation or does it come with external influence?

is your idea of success the same as your parents' idea of success?

have there been any failures that made your life better?

do you believe purpose and success relate to one another?

how do you feel your success may impact others?

does success make you happy, or does happiness make you more likely to succeed?
